TOTTENHAM AREA

Protheroe House is located in the regenerated area of Tottenham, in the London Borough of Haringey. It is just a five minute walk to the shops, cafes, restaurants and transport links on Tottenham High Road and White Hart Lane.

It is also a ten-minute walk to the historic Bruce Castle Park, which covers eight hectares of parkland and is rich in history dating back to the early 11th century. Also transforming the local area is the major, newly rebuilt landmark for Tottenham and London - White Hart Lane Stadium.

Tottenham's gothic High Cross was erected around 1609 on the site of a wooden cross; it marks the centre of Tottenham village.

Tottenham is a lively, multi-cultural area with a strong sense of community and history.
